

Buy a Brick . Support Animals.

Help us pave the way to a brighter future by engraving a brick outside our Humane Education Center. The cost is \$65 per brick.

This is a great way to honor loved ones while supporting animal rescue and and land restoration work to support birds, wildlife and pollinators, including the monarch butterfly. Proceeds benefit Briggs Animal Adoption Center (BAAC), a program of The National Humane Education Society (NHES).

Print your name or message to be engraved in the boxes below.

- Please print legibly
- One character per box
- 15 characters (including spaces) are allowed per line
