

- 2 cup flour
- ½ cup oats
- ½ cup water
- ¼ cup canned pumpkin
 - 3 tbsp olive oil
 - 2 tbsp molasses

Directions:

Combine all ingredients in a large mixing bowl. Stir until a dough forms. Add flour to your hands to keep dough from sticking to your fingers. Roll out dough and cut into shapes with cookie cutters.

Bake for 10–15 minutes in a conventional oven -- or for about 3 hours in a hot car. Allow the cookies to cool before giving them to a dog!
